{xtypo_dropcap} 

{/xtypo_dropcap} We build this website with Joomla! 1.5 .

The technical aspects are available on a blog created for that purpose <http://aikitendo.blogspot.com/>

Sorry, but the blog is written in my native language. I didn't think that i translate this site in english language, at the beginning of this great odyssey.

Have a a pleasant visit on on the site Tendoryu.
