40 year of Tendokan can be celebrated.

Exactly 40 years ago I got independent and founded the Tendokan.

Now it will be also the starting point for the new NPO(NonProfitOrganisation) tendo world aikido.

This we want to celebrate with an international seminar in Japan . This seminar, for which you are all warmly welcomed, will take place from October 12.-15. 2009 in Izu/Japan.

I wish this coming new year will bring all Tendoryu members worldwide even closer together.

The best wishes to you and your families for a healthy and happy New Year

Shimizu Kenji
